

Cheshire Wildlife Trust

Invasive Non-Native Species Biosecurity Workshop 2012

Chester Zoo

Wednesday 18th April 2012

Cheshire Wildlife Trust, in partnership with the Countryside Council for Wales and Chester Zoo, are holding the 2nd Invasive Non-Native Species Biosecurity Workshop at Chester Zoo on Wednesday 18th April 2012.

Come along to find out more about biosecurity and current action plus find out how you can incorporate it into your day to day working practices with ease.

This years workshop includes

- National biosecurity policy
- Biosecurity Action Plans
- Chinese Mitten Crab

- Invasive plant id
- Biosecurity risk assessments
- Practical biosecurity techniques

This workshop is free to attend but spaces are limited so register now to avoid disappointment
