Photo from the scene

Case 2: clues from the scene

Someone was spotted in the
park the night before
carrying a cage

They were seen later leaving
without it

Case 2:

Non-native snake

Image: J Scott Kelley

Case 3: clues from the scene

A garden next to the wood used to have American skunk cabbage in it

The people who own the garden were seen digging up the American skunk cabbage a few days ago

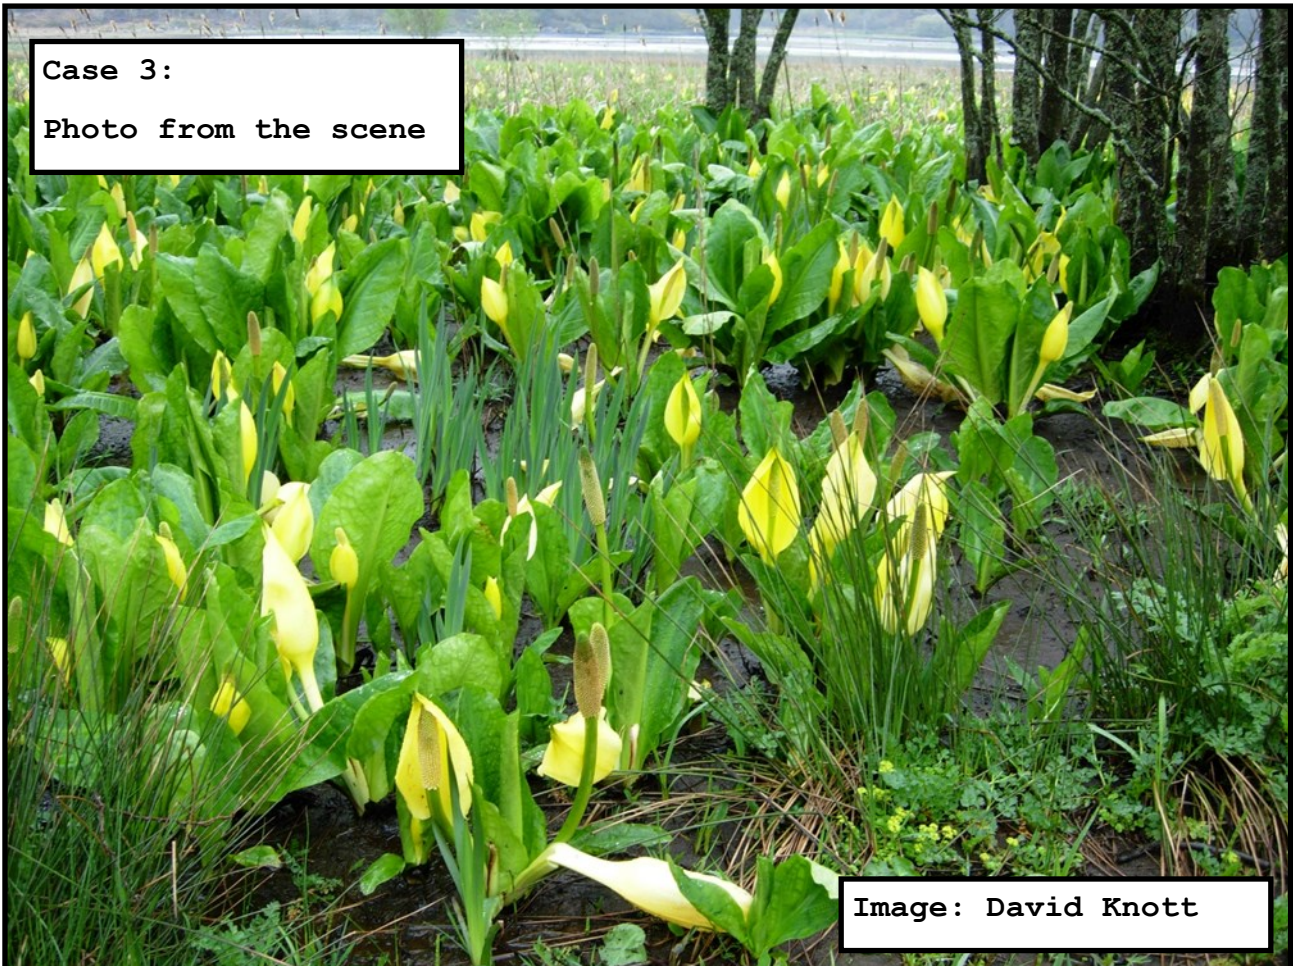

Case 3:

American skunk cabbage

Case 3:

Photo from the scene

Case 4: clues from the scene

The American skunk cabbage
in the first wood had
dropped seeds into the mud

People like to go walking in
both woods
