EVPMC 10 - 10TH EUROPEAN VERTEBRATE PEST MANAGEMENT CONFERENCE, 21-25/09/2015 SEVILLA, SPAIN

Estación Biológica de Doñana (EBD-CSIC) and Universidad de Sevilla are pleased to host the

10th European Vertebrate Pest Management Conference

in Seville (Spain) in September 2015

The biennial meeting is a forum for all involved in basic research in vertebrate biology and ecology, methodology and legislation and their application in wildlife management. Its focus is on Europe but participants and contributions from other regions of the world are welcome.

Symposia will be organized in the following broad topics:

- Ecologically based pest management
- Agricultural and silvicultural pest management
- Urban pest management
- Control methods and alternatives
- Zoonoses and parasites
- Invasive vertebrates
- Human – animal social conflicts

Scientific Program

The scientific program includes two plenary talks each day, symposiums on specific topics, contributed talks and posters. It is also possible to organize round tables and workshops.

Confirmed Plenary Speakers.

- **Tim Blackburn**,
Institute of Zoology, London, United Kingdom
- **Brian Cooke**,
Institute for Applied Ecology, University of Canberra, Australia
- **Frank Courchamp**,
Université Paris Sud, France
- **David Cumming**,
Percy FitzPatrick Institute of African Ornithology, South Africa
- **Ronald E. Thresher**,
CSIRO, Australia

Scientific and Organizing committee

- **Jordi Figuerola (EBD, CSIC)**
- **Juan Francisco Beltran (Universidad de Sevilla)**
- Elena Angulo (EBD, CSIC)
- Miguel Clavero (EBD, CSIC)
- Miguel Ferrer (EBD, CSIC)
- Belinda Gallardo (EBD, CSIC)
- Laura Gangoso (EBD, CSIC)
- Josué Martínez de la Puente (EBD, CSIC)
- Tomas Montalvo (Agencia de Salut Publica de Barcelona)
- Luis Santamaria (EBD, CSIC)
- Ramón Soriguer (EBD, CSIC)
- Montserrat Vilà (EBD, CSIC)

Registration

Register through the conference webpage at www.evpmc.org. Proof of student status will be required to benefit from discounted fees.

Fee	Until 30 June 2015	From 1 July 2015
Conference fee	200 Euro	250 Euro
Student conference fee	110 Euro	135 Euro

Symposium and round table proposals

We welcome suggestions on specific symposia, round table and workshops with a description of the topic and potential participant list. Organizers of symposia and round tables are requested to confirm the assistance of potential participants.

Oral and poster presentations

We invite submissions of abstracts for oral (15 minutes) and poster presentations. A special issue in the journal *Pest Management Science* is expected to be published after the meeting with a selection of original research, reviews and forum papers resulting from the conference.

Abstract submission should be done through the webpage of the conference, indicating the preference for oral or poster communication and the interest (or not) in submitting the work to the special conference publication. The scientific committee will select the contributions finally invited to submit to the special publication. Only about 15-20 full high quality papers will be published in *Pest Management Science*. Manuscripts are expected to be submitted before the end of the conference and will go through the regular peer-review process.

Social Programme

A conference dinner will be organised on 24 September. An excursion to Doñana Natural Park is scheduled for Saturday 27 September 2015.
