

INVASIVE SPECIES WEEK

From 23-29 March 2018, organisations across Britain are coming together for a week of action to raise awareness of **invasive non-native species** and the simple things that everyone can help to prevent their spread.

Join us and **#GetINNSvolved!**

Be Plant Wise
and never dump
garden, pond or
aquarium plants in
the wild

If you're an
angler, boater,
canoeist or similar,
remember to Check
Clean, Dry

Record
invasive
species if you
spot them
